

Book Discussion at Corvair Convention 2019

My name is Donna. I have been a member of the CCE club for 17 years. When asked for activities at the Convention, a Book Discussion group popped up right away in my mind. I have worked at a library for 19 years, and have seen the book discussion groups at the library, and they always look like they have a good time. In fact, its a good way for people from all around the country to meet and become friends. Through what else but a "Book".

This year we are doing a Book Discussion on the book LifeMobile by Jonathan Rintels.

Lifemobile is a story about a father and a son, and how a Corvair came to help form a better bond between the two. The son has Asperger's Syndrome (a form of high functioning autism) and comes to realize his father's Corvair is a little different kind of a car, in a way that he, with Asperger's, is a little different kind of a person. They work together to restore the Corvair and in the process, strengthen their father/son relationship.

I invited Jonathan and he said he would be "honored" and will be attending the Convention.

To purchase an autographed copy of the book, you have two ways to do this.

1. Enter the following website <http://ihelpyourwriting.com/lifemobile-my-novel/> into your browser.

This site will briefly summarize the "story behind the story" of LifeMobile. As you scroll down the page, you come to the Buy Now button to purchase the book. Click on that button and it will transfer you to PayPal, where you can order how many copies you would like. And how you'd like them to be inscribed, specify the shipping address, and enter payment information. Payment can be made via either credit card or Pay Pal balance.

2. If you have trouble, you can email Jonathan at - jonr@jonathanrintels.com directly (He will make sure you get a copy).

Or you can interlibrary loan a copy from your home library to just read it.

This event is not on the main convention registration form. Instead to register for this event, Email me at cceconvention@comcast.net. Cost for this event is \$5. Send payment made out to **CCE. Checks only**. Refreshments and snacks will be available.

I hope to see many of you from all over the country. In the meantime, Keep On Reading.
